		BMN-SGP -111-01

5. MICROBIOLOGICAL CHARACTERISTICS

The microbiological characteristics are described in more detail in Annex 3

6. OTHER CHARACTERISTICS

Contents, additives, allergens:	None. The list of allergens is given in Annex 4
GMO:	The product does not originate from genetically modified organisms.
Ionization:	The product has not undergone any ionizing radiation.
Radioactivity:	Per customer request: Eur limit Cs134 and Cs137 = max 600Bq/kg (EC) 733/2008 Ser. limit Cs134 and Cs137 = max1250Bq/kg Rule 86/2011

PRODUCT PACKAGING

TYPE OF PACKAGING	PACKAGING	DIMENSIONS mm	WEIGHT - net	WEIGHT -gross
POLYETHYLENE BAGS LDPE or HDPE (or customer's bags)	14/1	380x(2x150)x700x0.03	14 kg.	14.030 kg.
CARDBOARD BOX	K-240	385x290x245	14 kg.	14.530 kg.
EURO PALLETS 80 x 120	EUP	PACKED according to client's request		
Primary packaging:	PE bags (primary packaging) packed in five-layer, corrugated boxes resistant to breaking and low temperatures (secondary packaging) sealed with blue, self-adhesive tape, according to customer request.			
Transport packaging:	The cardboard boxes are stacked on a Euro pallet and double wrapped with a stretch foil (FOL) according to customer request.			
Product marking:	Individual packaging	The label shall contain product data, origin, net weight, LOT number, shelf life, temperature keeping, factory code etc.		
	Collective packaging	The label shall contain product data, pallet net and gross weight, LOT number, number of individual packages, factory code etc.		

STORAGE, TRANSPORT, INSTRUCTIONS FOR USE, INTENDED USE AND NOTES

Store the product at $\leq -18^{\circ}\text{C}$ (in a cold storage facility, retail facility or customer)

Goods shall be transported in a refrigerated truck with a temperature of $\leq -18^{\circ}\text{C}$

For a wide scope of consumers. It is low-calorie product and does not cause obesity. The product is not intended for persons allergic to berry fruit.

Prior to use, the blackberry should be thawed and it may be consumed without any prior preparation. Once defrosted, do not freeze the blackberry again. Prior to serving, and during use, the product should not be kept out at a temperature above 20°C for an extended period of time

Shelf life: 30 months from the product freezing date.
